I VERY frequently update articles on this website. This is important if you use a search engine that saves pages for faster loading, & doesn't update pages until they are next scanned; and who knows when that is (no matter the coding I use to have to try to get their robots to do it more often and to restrict caching).

The whole structure of Western society may well be unfitted for the effort that the conquest of space demands. No nation can afford to divert its ablest men into such essentially non-creative, and occasionally parasitic, occupations as law, advertising, and banking.

### **MacGuffinite - Atomic Rockets**

Among science fiction stories with space flight, the overwhelming majority are about combat, both between spacecraft and between futuristic ground troops.
