Tourism Destination Governance: A Review and Research Agenda

We investigate the role of national culture in corporate risk-taking. We postulate that culture influences corporate risk-taking both through its effect on managerial decision-making and through its effect on a country's formal institutions.

How does culture influence corporate risk-taking

In this theoretical paper, motives for CSR are considered. An underlying assumption is that the commercial imperative is not the sole driver of CSR decision-making in private sector companies, but...
