The United States of America (commonly referred to as the United States, the U.S., the USA, or America) is a federal constitutional republic comprising fifty states and a federal district.

United States - Simple English Wikipedia, the free

Healthy marine species like whales, sea turtles, coral, and salmon are important for maintaining balanced and thriving ocean ecosystems. We work to prevent marine species populations from decline and extinction, protect them from human activities, and monitor activities that might impact them so they are around for future generations.
