For a book about Battletech, there were just not enough mech's for me. To many of these stories could have been any science fiction, not specifically the Battletech Universe - and frankly the quality was mixed as well.

Counterattack: BattleCorps Anthology Volume 5 by Jason

FOREWORD . By Jason Schmetzer . Welcome to the counterattack. The stories in this volume are taken from the fifth year of publication on BattleCorps, a time when the site and the new stable of authors it had grown were continuing to really push the boundaries of what BattleTech fiction was and could be.
